

OHIO Letters to the Editor

Tips for getting your letter published:

- To send a letter to the editor, email your submission to the correct letters to the editor email. Letters can also be submitted online, or by mail or fax.
- To be considered, letters must be signed and include a home address and both a day and evening phone number. Street address and phone numbers are for verification purposes only and will not be published.
- E-mails (plain text, no attachment) must not exceed **200 words**.
- Preference is given to short, succinctly expressed e-mails.
- Contributors are limited to one published letter a month.
- Letters should be brief and focus on a single subject of public interest.
- The shorter the submission, the more likely it will be selected for publication.
- Lengthy quotations should be avoided. We reserve the right to edit all letters.
- We do not publish open letters, thank you letters or poetry.
