CHAMPIONS OF ORGANIC DAIRY

Organic milk from pasture-grazed, humanely raised cows is the not-so-secret of our high-quality, dairy products. As a farmer-owned cooperative, we pride ourselves on producing delicious, nutritious dairy products, without the use antibiotics, synthetic hormones, pesticides, or fertilizers. As we work hard to satisfy the demand for organic across the country, our regionally located network of family farms build local economies and protect local environments. Together with you, we are creating a bright and healthy future, in harmony with nature.
