Organic Buttermilk

It's all about flavor!

Independent, ORGANIC and FARMER-OWNED since 1988.

The baker's organic secret!

You know the best cooks shop at your place.
And they guard their secrets.

But that's okay. This buttermilk, from our
independent, organic family farms, will only
enhance your flavorful reputation. And theirs.
Organic Valley Buttermilk will be the paradise in
their pancakes and the bodacious in their biscuits.

*Produced on independent organic family farms
without antibiotics, synthetic hormones or pesticides.*

*We think it's a simple truth.
The earth's most delicious, most
healthful foods are made when
farmers work in harmony with
nature. Since our beginning in
1988, we have remained true
to the simple and the delicious.*

*The perfect ingredient to make
your customers' biscuits the fluffy,
delicious envy of all their friends!*

*We have reinvigorated America's
love for family-farm dairy products,
and rekindled the love of farming,
thanks to your support!*
