ORGANIC INGREDIENTS

Organic Valley/Organic Prairie is a leader in providing bulk ingredients to some of the leading companies in the organic industry. As North America's largest organic farmer-owned cooperative, we ensure all of our products are certified organic. Whether it's fluid or hard dairy, meat proteins or produce, we are committed to providing you with the highest quality finished goods in a timely manner. We can also produce custom product made to your specifications. All our ingredients are produced from vibrant living soil, on our organic family farms, where the earth and our animals are treated with the utmost care.
